Arts Tasmania <https://www.arts.tas.gov.au/funding> and/or [sign up to their newsletter](#)

Skills Tasmania <https://www.skills.tas.gov.au/funding>

Department of State Growth – has a [grants summary page](#) for businesses. [Business Tasmania](#) is part of the Department of State Growth and has [a newsletter](#) with business related opportunities and contacts for your local [Business Enterprise Centre](#)

Private Sector

[Nystar](#) has a \$3,000 grant round opening in 2018.

[Cadbury](#) supports fundraising and has small grants

[Bell Bay Aluminium](#) provides community grants, although the 2018 grant round is not yet available.

[Hydro Tasmania](#) provides community grants, but the 2018 round has now closed.

[Tassal Group](#) can provide funding on a case by case basis.

Tasmanian Community Fund is an independent community fund providing grants to not for profit organisations in the Tasmanian community. <http://www.tascomfund.org/>

Philanthropic Foundations

[Foundation for Rural and Regional Renewal](#) range of smaller community grants and newsletter

[Ian Potter Foundation](#) provides grants over a number of program areas

[Myer Foundation](#) offers a range of grants under different focus areas

Paid Services

All government grant programs provide information for free

However, there are also valid services at a cost to provide more support:

[Philanthropy Australia](#) has information about philanthropic organisations and a paid service of potential funding organisations.

[Our Community](#) provides a range of resources at a cost

Please note this list is just a start on where to go to find grant opportunities
